## Frankford Welcomes Spring!!!

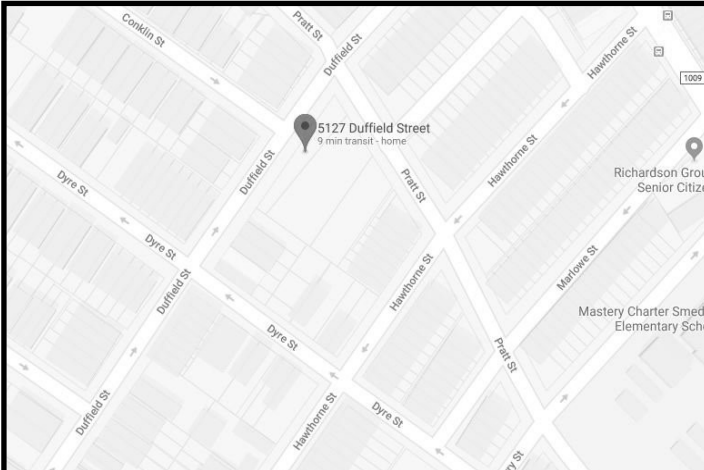

Frankford welcomed Spring this year but Mother Nature had other ideas and sent us the fourth Nor'easter of the season on March 21st. The residents on Penn Street were briefly snowed in but it takes more than a few snow flakes to keep them at home.

I'm sure that by the time you are reading this, we will have seen some sunshine and temperatures about 40 degrees.

Here's hoping anyway. Happy Spring!!!

## Frankford NAC Zoning Group Approves Duffield Street Development

By Christine DeJesus

**2227 Duffield Street is located at the intersection of Duffield and Pratt Street. It is now vacant land.**

At the Frankford NAC zoning meeting on March 8th, the group discussed a revised proposal by representatives for **5127 Duffield Street**.

Developer met with planning commission prior to the zoning meeting and had agreed to some recommendations going forward, which are as follows:

- Only 10% of the dwellings are studio apartments and the developer has agreed to make those bigger. This would reduce the number of dwellings.
- The developer will put in the maximum number of parking spaces allowable.
- Extra lighting and greenery will be added.
- Although it was indicated as Veterans housing, it is really Veterans given first preference.

New plans were reviewed at the zoning meeting and were approved with the changes. (Plans were stamped)

**2224 Orthodox Street**— Building is zoned as CMX-2 but is being used as a single family dwelling. Applicant was seeking a variance to tear down front wall and install a storefront gate and use it to park her car. After further review of this case, it is opposed. Zoning codes do not allow covered parking space unless it can be accessed by a shared driveway, or alley.

**2224 Orthodox Street**

**4943 Penn Street**— continued (seeking a variance to legalize 4 units).

**1540 Womrath Street**— continued (seeking a variance to have three units).

The next Frankford NAC zoning meeting will be held on April 12th at 7 PM at Second Baptist Church, 1801 Meadow Street, Philadelphia PA 19124.

The **Mozy Clothing Outlet** at 4441 Frankford Avenue had their grand opening last month and I finally took a walk through on a Saturday morning. The store is big, neat and clean and fully stocked. They are very active on Facebook so you can have a look over there if you are interested at <https://www.facebook.com/Mozy-clothing-outlet-431745603895368/>

Right now, this place is the Star of Frankford Avenue. It's right across the Street from St. Mark's Church.

### Police Advisory

On Sunday, March 3rd, 2018, a police report was made to the Special Victims Unit that indicated that Theodore Wayne Miller, age 57, showed a 6 year old victim pornographic images and sexually abused her on several occasions. On Tuesday March 6th, 2018, a 7 year old victim described being sexually assaulted by the subject on several occasions as well.

Theodore Wayne Miller

Police served an arrest warrant and search warrant at the subject's home at 2001 Kinsey Street looking for computers and devices that could be used to possess and store pornography. While searching the home police recovered one laptop computer, 3 external hard drives, 5 thumb drives, and one blue and gray backpack.

Upon examining the contents of the back pack the assigned investigator discovered two rolls of duct tape, plastic zip ties, surgical gloves, sanitary wipes, leather restraints, baby oil, blanket, numerous pieces of juvenile female clothing, and one stuffed animal. Police also observed several images of child pornography on a thumb drive that was connected to the computer.

He has prior arrests for harassment, stalking, aggravated and simple assault, false imprisonment, unlawful restraint and related charges.

## I REMEMBER

Yes, I remember the first day of spring.  
  
Weeping Willow's dancing in the breeze.  
  
Frozen lakes and rivers now running free.  
  
Eagles flying high over cherry blossom trees.  
  
It's at this time when the air is sweet and clean.  
  
It's like a sweet and tender kiss coming off the  
ocean breeze.  
  
Little old ladies scrubbing steps on bended  
knees.  
  
YES-YES  
  
I remember the first day of spring.

**Lisa A. Forrest** is a mother and grandmother from Frankford, whose lifelong dream has been to write a book. She found the focus and drive to blog over the past few years, but still hadn't been able to focus long enough to write a book. During her humanities class while working on her business degree, she was inspired and knew she needed to finally write that book.

She started and didn't stop until the completion of her first novel, **"Parlons Cafe" | And the Journey Through a Transcendental Love"**.

The Forrest family roots run deep in Frankford and we are proud to highlight her achievement.

The book is available from Amazon. Just search for Lisa Forrest.

**Fred Prescott** is a lifelong Frankford resident who grew up on the 2000 block of Margaret Street. He attended Sullivan Elementary, Harding Junior High and Frankford High Schools.

When he graduated from Frankford in 1960, he worked for a time and then decided to enlist in the Air Force. He took the oath in January of 1961 and went to Lackland Air Force Base for Basic Training. He then was shipped off to Fort Leonard Wood for training as a Water Treatment Specialist and finally was assigned to Forbes Air Force Base near Topeka, Kansas.

He spent the rest of his active duty time at Forbes, which was a SAC (Strategic Air Command) base. He was on duty during the Cuban Missile Crisis in 1962 when our country was on the verge of nuclear war. He was separated from active duty in January of 1965 and after 2 years in the Inactive Reserves, was honorably discharged.

He married Veronica (Ronnie) Binkowski, also a life long resident of Frankford, in 1966 and they have a son, Matthew. He worked at Aero Services making maps for 5 years. That experience lead to his long time career at Ewing Cole Architectural firm as an Electrical Draftsman. He retired from Ewing Cole after 30 years in 2006.

Outside of work, he is known by hundreds of Frankford boys as the Scoutmaster of Troop 108 which was based at the Frankford American Legion Post 211 on Leiper Street. It later moved to the Hermon Presbyterian Church on Harrison Street and finally to St. James Lutheran Church on Pratt Street. Eagle Scout Prescott, followed his father into Scouting in 1949 when he became a Cub Scout and continued past the 50 year mark. Son, Matthew, also became an Eagle Scout.

Now that Fred is fully retired, he spends his time tending to their home at the corner of Harrison and Griscom Streets. It is well known for one of the best Christmas light displays in Frankford. When not walking Willow, the pet Rottweiler, Fred volunteers at the Historical Society of Frankford. He recently compiled a history of Troop 108 titled "A Scout in Frankford: The Troop 108 Story". The book will be on display at the Historical Society.
