Director of Operations

*Kwand Lang*

*James D. Murphy*

Director of Fundraising and Concession

*Tracey Lewis*

Director of Cheer/Dance

*Whitney Lewis*

The Frankford Chargers has provided recreational activities for children since 1967. This year marks our 42<sup>nd</sup> year anniversary. Coaching our youth on football fundamentals and mentoring our young men and women to be decent citizens has made it exciting 42 years. Through our hard work and perseverance we won our first Pop Warner National championship in 2008, and have won multiple championships in football, cheerleading, basketball, and baseball throughout the years. Most of our youth go on to play for their high schools and colleges, and some even go as far as coaching community little league teams.

Our Midget football team is the 3x Liberty Conference Football Champions; 3x Eastern Region Pop Warner finalists; and the 2008 Pop Warner National Champions. On Saturday, November 27, the team won the Eastern regional championship game and advance to the Pop Warner Super Bowl in Orlando, Florida. The Super Bowl is an 8 region tournament to crown the National Champion.

**We are hoping that you will assist in sponsoring our team, to play in Orlando, Florida December 5, 2010. The cost of this event is \$33,000. All donations will be greatly appreciated regardless the amount, these children worked hard all year to make it to this event. As an organization we raise funds throughout the year for all our programs.**

Please make a check payable to the "Frankford Chargers". The team is scheduled to fly out the morning of Saturday, December 4<sup>th</sup>. Please consider sponsoring this team to Orlando, Florida.

The Frankford Chargers would like to thank you in advance for your time and consideration. We hope that this is the start of a long lasting relationship between the Frankford Charges. For more information please contact, Jason Dawkins at 267-207-5278.

Sincerely,

Billy Gambrel
