“Intelligence plus character- that  
is the goal of true education”  
Martin Luther King Jr.

## **MENTORS NEEDED!**

### **What does it mean to be a mentor?**

Mentors come from all walks of life, all economic and educational backgrounds and all ages. Each mentoring relationship is unique, shaped by the interests and personalities of the mentor and student.

### **What does a mentor do?**

Mentors are expected to listen, team build, encourage good decisions, help students shape goals, help build self-esteem and serve as a positive role model.

### **Benefits of Mentoring**

Mentoring in high schools can have a significant effect on the drop out rate. Mentors feel better about themselves for having a positive effect on another person's life.

### **Time Commitment**

Mentors will need to attend a 2-hour initial training. Mentors will meet with students for 1 hour on a weekly basis. All mentoring will take place after school hours.
